SECURITY INFORMATION

27 December 1951

MEMORANDUM FOR: AD/TRC

SUBJECT: Staff Training Weekly Activity Report;
20-27 December 1951

1. Progress Report - Old Projects.

As an initial step in the implementation of new projects announced in Staff Training Weekly activities report dated 20 December 1951, a conference was held between representatives of TRC and TSS to establish a division of responsibility with respect to the provision of training in basic technical fields, and to define prerequisites for an operational investigative techniques course.

2. Items of Current Interest. None.

3. New Projects during Week.

a. Development of instruction pertaining to the collection and reporting of order of battle information has been initiated. This instruction when prepared will be given in both Staff and Quasi-Military courses.

b. Discussions were held between representatives of TRC and OCD concerning the development of working bibliographies for use in directed area studies.

4. Items of Administrative Interest. None.

Deputy for Staff Training
